Services Offered:

Sidley Austin LLP has a premier securitization and structured finance practice with more than 200 lawyers practicing worldwide. From the inception of the securitization industry in the 1970's, Sidley has played a leading role in the development of numerous asset classes and transactional structures, beginning with our pioneering work in the creation of mortgage-backed securities. In 2006, we served as legal counsel on a number of securitization deals that have been recognized as "Deals of the Year" by leading financial publications on three continents. In 2006, we opened an office in Frankfurt, Germany, which focuses on securitization and structured finance. Sidley is one of the world's largest law firms with more than 1,700 lawyers and 16 offices in North America, Europe, Asia and Australia.
